— Menu and prices subject to change —

FRIDAY NIGHT DINNER TAKE OUT AVAILABLE WITH RESERVATIONS!

FROM THE KITCHEN LIAISON

We will be going to our winter schedule this month. The last Wednesday dinner will be fish and chips on the 18th.

Remember, you must wear a mask from the entry door until you sit at your table and when you get up for any purpose. Our busy season should be coming to an end during the month but please continue to make those reservation at the bar. Please make sure of your number of guests you are making reservations for. Also please make cancellations before 2 pm on Friday so we can use the table. You need to let your guests know that you are making reservations for them. Too many times there are double bookings and we are turning away others because we are full.

Gary Vawter, Kitchen Liaison
